M 1437

(Open I & II) Mon. 7/29/68) Questions and answers. Questions first from group leaders. Mark Oberon: In group girl said A-B-C was relief to get away from everyday things in mind. MR. NYLAND: Work is for development of something not of Earth. Not improvement on Earth. Misuse of method. Attitude toward spiritual value. Conversion of energy. John Marshall: Neal asked question about personality & essence. MR. NYLAND: Question of relativity. Comparison to points on a line. Measure is how often am I at one point or another. Analogy to colors. George Simich: When aware, move from personality to Kesdjan? MR. NYLAND: No. Towards center when point of gravity moves towards center. Change possible only when point of gravity is in point not subject to change. Subjectivity and objectivity. Lights of Karatas. In Work one goes immediately to DO of intellectual body. Messica: Meaning of 'separate spiritualized parts' and then their relation to 3 centers. MR. NYLAND: Spirit is emotional capacity. Kesdjan. Breathing, taking in air. Centers: relation to faith, hope, love. Robert Burnett: Acceptance in relation to feelings. MR. NYLAND: Difficult to use feelings for Work. Impartiality. Use of feeling energy before and after experience. Energy towards God. Conservation of energy. Separation of centers. God filling emptiness. Purpose of man - life/form. Death. Meaning of Work. Wish to sacrifice what is in way. Step-wise progress. Mary Good: talking about impartial observation of body. Futility of her life etc.

MR. NYLAND: Impartiality is not part of past. What do I do now? Acceptance.

Question: Creation of 'I' with hope it will observe me! MR. NYLAND: AS IF.

Question: In creating, do I imagine how 'I' would observe me? MR. NYLAND: NO. Actually observe. As if, imagination. Growth. Effort. Question: When I make efforts, what observes? MR. NYLAND: 'I' like child. Aware. Later has understanding. Benevolence. Personality into individuality.
